Current Awareness Services: The current awareness service provides knowledge to the user regarding recent developments in the field of general interest. Current awareness services alert scholars, researchers, and health care practitioners to recently published literature in their fields of specialization. Following practices are implemented by the UCMS library to create awareness among the users with regard to new resources available:

- Display of list of new arrivals on library's notice board.
- Circulating of the list of new arrivals in various departments concerned.
- Dissemination of information through e-mail.

Inter Library Loan/Document Delivery Services: Library is a member of Developing Library Network (DELNET). The **books/**articles required by the users which are not available in library's collection are arranged through DELNET. For more information on DELNET, please refer to DELNET User Manual and Link given for DELNET facility on Library Webpage.

Computer & Internet: To enable the library users to access the subscribed e-resources and other Internet resources, computer and internet room is available on the first floor of the Library building. Library is fully Wi-Fi enabled and equipped with 40 computers.

Plagiarism-checking facility: The Library with the help of University of Delhi is providing anti-plagiarism software known as "URKUND". URKUND offers a fully-automated system for handling plagiarism. To get the document/paper/assignment/Theses/Dissertation checked, please email with an attached file to **libraryucms@gmail.com.** Report once generated will be mailed back to the concerned teacher. Only emails from respective faculty members will be acceptable.

ERMED E-JOURNALS: The UCMS Library is member of NML's ERMED e-journal consortium and provides free access to 235+ electronic journals subscribed through the five leading publishers. The access to ERMED consortium is activated on college static IP Addresses, thus one can access resources beyond the physical space and time of the library. Users can access e-journal resources from their departments as well. All the e-journals can be accessed through **single gateway: www.ermed.in.**
