Sir/Madam,

As you are aware that the global pandemic arising out of outbreak of COVID-19 has posed an unprecedented challenge before the humanity and our country is no exception to this crisis. The government of India and various state governments have already come up with welfare measures to alleviate the hardship of the citizens of our country. The medical fraternity is doing their best to contain the outbreak to the extent possible with appropriate medical intervention.

We, at the University of Delhi, an Institution of Eminence, highly appreciate the efforts of all the stakeholders and pledge to continue to support the initiatives taken by the government from time to time to eradicate the menace of COVID-19 from our country in particular and from the world at large.
