

## ACCESS TO 235+ E-JOURNALS THROUGH ERMED CONSORTIUM

National Medical Library's Electronic Resources in Medicine (ERMED) Consortium is an initiative taken by DGHS & MOHFW to develop nationwide electronic information resources in the field of medicine for delivering effective health care. 70 state and centrally funded Government Institutions including all AIIMS are selected as its members. The UCMS Library is also member of ERMED e-journal consortium and provides free access to 235+ electronic journals subscribed through the following five leading publishers:
